The screenshot displays the Audytor C.O. 6.0 Basic software interface. The main window shows a detailed schematic of a heating system, including a collector system (Kollektornaia sistema) with multiple radiators (Kotly) and pumps. The schematic is overlaid on a floor plan grid. A red stamp with the text 'AUDYTOR' is visible over the schematic. On the right side, there is a large orange banner with the Audytor C.O. logo and version information. Below the banner, a data panel provides technical specifications for the system, including parameters for the heat carrier, system information, and heat source characteristics.
